Erin:

I was in the field yesterday, but we received a message from Ex. 4 - CBI that they would need \$25 extra to perform Level IV. That still puts their price per sample as the most affordable, but not by much.

Ex. 4 - CBI

The cost estimate is in review. It may be later today by the time the two reviewers are done. I'll check on the QAPP. It was done, pending the few changes related to taking out the asbestos and adding language in for us subcontracting Dioxin.

Thanks,

Mike
